## Corey Dea

Kokomo High School Class of 2018 graduate Corey Dea plans to earn a Doctor of Pharmacy degree from Butler University, after receiving a Butler Grant and Butler Academic Scholarship. Corey, the son of Nancy and LeMann Dea, hopes to pursue a career in pharmaceutical research. The K Club and National Honor Society member took advantage of both the KHS College Prep Academy and the Kokomo Area Career Center by completing 12 Advanced Placement courses at KHS, while also taking Project Lead the Way engineering and biomedical science classes at the career center. The AP Scholar thanked AP Environmental Science teacher Rebecca Swan for “opening my eyes to environmental issues, and ways in which the average person can help” and AP Physics teacher Tom Ferguson for “creating a fun learning environment in a difficult class; and for showing me that just because something is hard, does not mean I can’t enjoy it.” The Student Athletic Leadership Team member and Cross Country Captain valued his experience volunteering with Guardian Angel Hospice as part of his KACC health science internship because “it allowed me to have a positive impact on a family whose loved one was in hospice care.”
