Jack Aviles

Kokomo High School Class of 2018 graduate Jack Aviles was accepted to Indiana University Bloomington, Valparaiso University, Indiana University-Purdue University Indianapolis, and Indiana University Kokomo before deciding to attend Purdue University to work toward a Doctor of Pharmacy degree. Jack, the son of Zeyda and Roberto Aviles, took 10 Advanced Placement courses within the KHS College Prep Academy, which he believes “prepared me greatly by helping me realize how much time and effort is required to excel in college-level courses.” The Student Council member is a product of Sycamore Elementary and Maple Crest Middle School, and considers winning his elementary and middle school spelling bees among his favorite memories. The Varsity swimmer also fondly remembers his time in the English Language Learners program at Sycamore Elementary, where teachers used engaging activities to “help me while I still was learning English.” The 2017 Homecoming King thanked his parents, who “taught me valuable life lessons that you can’t learn in a classroom” and KHS for providing the Track & Field athlete opportunities to meet International students from around the world because “interacting with these students in my classes made my experience at Kokomo High School one to remember.”
