Luke Cameron

Kokomo High School Class of 2018 graduate Luke Cameron plans to attend the United States Military Academy at West Point on a full-ride (\$237,000) scholarship. Luke, the son of Mary and Sean Cameron, has signed to play football for Army. The Students Against Destructive Decisions Co-President hopes to earn a degree in business management or economics, serve five years in the Army, and then either continue pursuing a military career, or run his own business. The AP All-State defensive back helped lead the Wildkats football team to a record 3rd-straight Sectional Championship and 1st-ever berth in the Class 5A State Finals. The Academic All-State honoree was named the Most Valuable Player among the defensive backs at the Best of the Midwest Football Combine. The Advanced Placement (AP) Scholar completed nine AP classes in a wide range of subjects, including Psychology, Physics, and Environmental Science, while at KHS. The National Honor Society member thanked his parents, who "taught me that if I want to achieve something, I have to work for it and earn it;" and KHS "for helping me to grow as a person. I believe Kokomo High School is one of the best places to make the critical leap in intellect, maturity, and citizenship necessary to become an adult."
