## Nathaniel Hemmerich

Kokomo High School Class of 2018 graduate Nathaniel Hemmerich plans to attend Earlham College to earn a degree in biology before pursuing graduate school to become a pharmacist or a veterinarian. Nathaniel, the son of Sarah and Michael Hemmerich, has signed to play baseball for Earlham College. The Wherrett Memorial Scholarship recipient completed 10 Advanced Placement courses within Kokomo High School's College Preparatory Academy, including nearly every AP science course offered. The talented 3-sport athlete (baseball, basketball, tennis) helped lead his tennis team to three Sectional Championships, while finishing 7th All-time at Kokomo High School with 61 total wins. The Student Athletic Leadership Team member earned a spot as a pitcher on the All-tournament baseball team for the Perfect Game BCS World Series. The Students Against Destructive Decisions President and STEM project consultant for Maple Crest Middle School cited KHS Science Teacher Tim Haberfield as, "the one teacher who has influenced me most by helping me find my love and passion for science... and inspiring my career plans." The Hoosier Boys State delegate thanked KHS for "allowing me to experience many cultures and a variety of college-level courses, which has helped me thrive. It truly has been a blessing to be a Kokomo Wildkat!"
