Isabella “Kaili” Hu

Kokomo High School Class of 2019 graduate Isabella “Kaili” Hu received acceptance letters from Ball State University and Valparaiso University before deciding to attend Purdue University using a 21st Century Scholarship. Kaili, the daughter of Tessa Vaughan and Weishang Hu, initially intends to major in Exploratory Studies with the end goal of earning a degree in Mechanical or Civil Engineering. A product of the KEY High Ability programs at Sycamore and Central, Kaili thanked her high ability teachers for “teaching me to problem solve creatively, and to think critically and more conceptually.” The KHS 2019 Prom Queen had an opportunity to travel to Chile and China through the IB program, and through these exchanges “I have made lifelong friends, tried new foods, practiced foreign languages, and expanded my global understanding.” The Future Business Leaders of America member completed 10 Advanced Placement courses while at KHS. The Environmental Club member was one of three students selected to complete an internship this school year with Fiat Chrysler, where she was able to work closely with engineers in the company.

Onward
Kokomo!

Kokomo High School is definitely on the move, and celebrating student successes!

The KHS College Prep Academy features 25 Advanced Placement (AP) courses (corporation-paid AP exam fees), an authorized International Baccalaureate (IB) program, Project Lead the Way engineering courses, and award-winning Music and Arts programs.

These College Prep courses help Kokomo High School students earn prestigious scholarships to outstanding universities.

Congrats to all KHS graduates! If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us
