Mackenzie Smith

Kokomo High School Class of 2019 Valedictorian Mackenzie Smith has accepted a full-tuition scholarship to the University of Kentucky, where she plans to earn a degree in Equine Science before pursuing her Doctor of Veterinary Medicine degree. Mackenzie, the daughter of Melody and Randy Smith, hopes to specialize in equine medicine with an emphasis on orthopedic research and rehabilitation. The 4-year Varsity Wildkat golfer noted that completing the rigorous IB Diploma program at KHS was "the single best decision I made while in high school. This IB program laid the foundation for academic success in college by allowing me to develop as a well-rounded, globally-minded learner." The KHS Student Council President is grateful that she was able to complete 10 Advanced Placement courses at KHS in addition to her IB Diploma Program courses. She will enter college as a sophomore. The Girls' League Vice President thanked KHS IB English teacher Aaron Blessing and AP Physics teacher Tom Ferguson "for the incredibly meaningful impact both have had on my life with their unwavering support." The Crown Haven Equestrian Center riding instructor thanked her mom for "always pushing me to be the best version of myself possible."

Onward Kokomo!

Kokomo High School is definitely on the move, and celebrating student successes!

The KHS College Prep Academy features 25 Advanced Placement (AP) courses (corporation-paid AP exam fees), an authorized International Baccalaureate (IB) program, Project Lead the Way engineering courses, and award-winning Music and Arts programs.

These College Prep courses help Kokomo High School students earn prestigious scholarships to outstanding universities.

Congrats to all KHS graduates! If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us
