# Molly's Success Story ...

*"I am Kokomo High School Class of 2021 graduate Molly Hunter, daughter of Kari and Michael Hunter, and I have loved attending Kokomo High School; the diversity that walks our halls mirrors that of our greater community, the City of Kokomo where I am lucky to have grown up. I am proud that I earned Advanced Placement Scholar with Distinction status, while also graduating from KHS as an International Baccalaureate Diploma Program Candidate.*

*"The IB program taught me valuable skills, such as critical thinking and analysis, that will be crucial in college. Through the IB program, I participated in exchanges to England and Costa Rica, which were among the greatest experiences of my life. I consistently cite these exchange opportunities as reasons why I would not want to attend any school district other than Kokomo Schools.*

*"I surprised everyone, including myself, by earning a Varsity letter on the KHS Swim team – a token of my physical accomplishments, perseverance, and commitment. I served as Student Council Treasurer and collaboratively created, and performed, a successful production with classmates in the KHS Drama Club. I wish to thank the sponsors for awarding me a Kokomo Schools Education Foundation Scholarship and the Lance Corporal James E. Swain Memorial Scholarship.*

*"Thank you to my 5th-grade KEY High Ability teacher at Sycamore, Mrs. (Shelly) Weir, for preparing me for a seamless transition to middle school and beyond, by helping me develop a sense of maturity and discipline. I applaud KHS IB Math teacher, Mrs. (Erica) Moore, who was perhaps the only person on Earth who could help me not only understand, but also enjoy, math.*

*"In the fall, I have committed to attend Loyola University of Chicago, where I plan to pursue a degree in Film & Digital Media. My goal is to attend law school with a career in either entertainment law or family law."*

[MOLLY HUNTER]

*The Kokomo High School Class of 2021 definitely has experienced unprecedented times during its final school year of high school. These KHS seniors have persevered to a stressful environment by being adaptable and flexible, while continuing to pursue academic excellence.*

*Even though Kokomo Schools could not do our annual Onward "group" photo session, the Onward Committee believed it was important that the KHS Class of 2021 not miss this opportunity. Individual photo sessions were scheduled throughout the day so the Kokomo School Corporation could meet pandemic protocols while celebrating student success.*

*The KHS College Prep Academy features 25 Advanced Placement (AP) courses (corporation pays all AP exam fees), an authorized International Baccalaureate (IB) diploma program, Project Lead the Way engineering classes, and an award-winning Music and Arts programs.*

*Congrats to all KHS Class of 2021 graduates. If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at [ablessing@kokomo.k12.in.us](mailto:ablessing@kokomo.k12.in.us).*
