# Jiin's Success Story ...

"I am Kokomo High School Class of 2022 graduate Jiin Min, the daughter of Kyungri Yu and Pokkee Min. I live in the Kokomo School Corporation International Female Residence Hall, and my residence hall parents are Stacey and Andy Curtis. My American community family is Crystal and David Kent. I am an international student from South Korea. I wish to thank my parents for giving me a solid academic foundation at the International School of Ho Chi Minh City, and for helping me research American colleges and suggesting that I find a major related to my talents and interests.

"Kokomo High School has provided me opportunities to try interesting activities while learning new things. The KHS students made me feel welcome, and I made friends with students from different countries by living in the corporation residence halls. I earned an Academic Honors Diploma. Attending Kokomo High School has been a most special experience for me that I will never forget. Kokomo High School has helped prepare me academically for college with its many AP (Advanced Placement) offerings. This school year, I have taken 6 AP courses: AP Environmental Science, AP Calculus AB & BC, AP Statistics, and AP Micro & Macro Economics.

"My government teacher, Ms. (Heather) Leavitt, helped me understand about US government, but she also helped me prepare for college by teaching me how to use my class notes to better understand the material. My Drawing and Advanced Painting teacher, Ms. (Alyson) Hatcher-Kendall was so encouraging that she gave me the confidence to try new things in her class. My Intermediate Orchestra teacher, Mr. (Brandon) Anderson, suggested several concerts and competitions where I could do violin performances, and I learned so much from those experiences.

"After being accepted to Indiana University (Bloomington), University of Nevada at Las Vegas, Purdue University, Stony Brook University, and Temple University, I have decided to attend Purdue and study Data Science."

*The Kokomo High School Class of 2022 has handled this ongoing pandemic with grace and flexibility. These seniors adapted to procedures in their classrooms, in athletics, and in extracurriculars; while setting an amazing example for our younger students. The academic, athletic, and musical achievements – as well as the leadership and service efforts – of this class will be remembered. Some students in the Class of 2022 helped Wildkat Winter Winds, Winter Guard, and Vocal Jazz qualify for the State Finals; and they helped KHS earn a High School All Choir Award and a High School All Band Award.*

*The KHS College Prep Academy features Advanced Placement (AP) courses (corporation pays all AP exam fees), an authorized International Baccalaureate (IB) Diploma Program, Project Lead the Way engineering classes, and a fine arts graduation pathway. Helping this Senior class earn more than \$7 million in scholarships were 10 Summa Cum Laude graduates and 14 who earned Magna Cum Laude honors.*

*Congrats to all KHS Class of 2022 graduates. If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at [ablessing@kokomo.k12.in.us](mailto:ablessing@kokomo.k12.in.us).*
